Dear Mr. Marshall:

The Division has completed our review of the information that was submitted to address deficiencies identified in the Mid-Term Review. We are satisfied that your responses have adequately addressed the deficiencies and your submittal is approved for incorporation into the Horse Canyon Mining and Reclamation Plan contingent upon our receiving 5 clean copies (redline/strikeout removed) of the submittal. Please submit the copies by no later than September 7, 1999.

Thank you for your help in completing this permitting action. This will conclude the Midterm review.

Please call if you have any questions.

Sincerely,

Daron R. Haddock
